

warranty request form

name of person who purchased product	
address	
zip code	
country	
email contact	
contact number	

proof of purchase

please provide the following information

- a) Scanned copy of the sales receipt issued by the edco registered dealer where you purchase the product. Please make sure the date, model numbers, serial numbers, dealer name and contact information are clearly visible.
- b) Picture of the rim which clearly identifies your warranty claim.
- c) Picture of the serial number printed on the inside of the rim of the warranty claim.

How did you first learn about edco wheels?
What were the three main reasons you chose edco wheels?
How many kilometres do you ride per week?

Please allow 6-8 weeks to process your claim, at which time we will notify of the warranty request results.

Note: While it is our intent to provide an equitable solution to all claims which have been approved by edco, we can not guarantee replacement models and or components will be the same as the warrantied product.
